PRESS RELEASE

Wednesday 2nd November – 8.00pm - For immediate release

New Managers appointed

Hayes & Yeading United have today appointed Paul Hughes and Ritchie Hanlon to the position of Joint Managers.

Paul and Ritchie join the club from Kings Langley FC, where they have achieved great success over the past three seasons, guiding the Kings to three successive promotions from the Spartan South Midlands Division One to the EvoStik League Southern Premier Division.

Caretaker Manager Tristan Lewis will oversee the league game this coming Saturday against Chippenham Town, whilst the new Managers get to know the squad and make plans for the remainder of the season.

Chairman Tony O'Driscoll said 'We are delighted to have been able to secure the services of Paul and Ritchie, and look forward to them taking the club forwards as we prepare to return again to our home ground at Beaconsfield Road in the very near future. They have an excellent record whilst at Kings Langley, and we hope that they can continue this at Hayes & Yeading United'.

Their first competitive game will be the rearranged Middlesex Senior Challenge Cup tie away at Harrow Borough on Tuesday 8th November 2016.

Tristan Lewis will return to his former role of Director of Football, and overseeing the club's academy sides, and will be supporting the new Management Team in pushing the club forwards over the coming period.
