**KIT CHOICE 2017 SEASON**

**Choice B: Home and White Away**

All Hayes & Yeading United FC sides will wear the same official kit as chosen.

The youth kits will have unique features, in that they will be completely reversible enabling our youth teams to only have to purchase one kit as part of their subscription.

Our goalkeeper kits are also bespoke, and shown below for information.

All kits and training wear will be available to purchase before the commencement of the season on the new club shop website which will go live shortly.
